over those of 1905.

The table given overleaf contains the Customs statistics relating to the exports of coince during the past five years. It will be seen that in quantity and value the crop rose very satisfactorily for the first four years of the period; though it dropped heavily in 1906 owing to a poor crop. The average price per ton has fluctuated considerably the five years. In 1902 it was L.E. (£2:1:4.), in 1903, L.E. 2,592 3:2), in 1904, L.E. 3,346 (3:8:7),

également à 167.

Bien qu'on soit en droit de s'attendre à une proche solution satisfiainante des difficultés déterminées par les dépôts de bilan effectusée ses jours derniers, la tendance généralle à la Jourdeur persiste à s'accentaer sur frotre marché. L'offre continue à prédominer sur les mêilleurs titres, voire sur les valeurs à revenu fixe et de tout repos, telles que les obligations à lots du Crédit Foncier Egyptien, anciennes et nouvelles. Ces ventes spéciales, qui ont pris une certaine importance, sont, paratt-il, la conséquence de la décision prise par plusiaviem. Banques d'obliger leurs clienta à fournir de nouvelles margae en liquidant une partie de leurs dossiers, c'est-à-dire la paratie la plus aisément des contre stres de la cote trouvent de plus en plus difficilement des contre parties, comme c'est, d'ailleurs, plus ou moins le cas — même en l'absence de crise — en cette période de l'année où le mar — en cette période de l'année où le ma
